

Homestead in the Suburbs To Do List 2015

<u>Key</u>	<u>Want</u>	<u>Need</u>
1	Really want this year	Something will die
2	Would be really nice this year	Need, but not right away
3	If it gets done, sweet	If it gets done, sweet
4	Ok if put off till next year	Could wait until next year
5	Why are we doing this?	Why do we need this?

Decimal after number denotes order of importance for that want/need class; ie. 1.1 > 1.2 and 1.2>2.1
